Lester Snow
Executive Director
CalFed
1416 Ninth Street
Suite 1155
Sacramento, CA 95814

Dear Mr. Snow,

I am writing to urge CalFed plan that maximizes water efficiency and conservation as well as removes barrier dams, increases in stream flows and restores habitat for fish and wildlife. In addition, CalFed should not rely on dam raises or new off stream storage reservoirs.

Thank you for your attention to this matter.

Sincerely,

Cory Black
